Mr. Jimmy Dykes of the Crossfield Stud is on the Section A, C and D panels of the W.P.C.S. He is also a highly qualified Driving judge. Payments

Members are requested to note that if they pay an account by cheque it must be made out to The Welsh Pony and Cob Society and not WPCS. The Bank will not accept cheques made out to this acronym. Wherever possible members are encouraged to make a direct deposit into our account (FNB Centurion branch code 261550, account number 56160018813)

Gelding Championships

At the 2010 National Championships prize-money was paid to the Purebred Gelding Champion and Reserve; R1250 & R750 respectively. This was done to encourage the gelding of top class ponies so that they can promote the Breed as Children's ponies. The prize-money was sponsored this year by members of Council but it is intended that in future funds for this Championship will come from the Breeding Stallion registration fees. Once a formula has been established Regions will be invited to apply for funds to promote Gelding Championships at their Regional Championship Shows.

We would like to thank the Strauss Family who won the reserve championship at Nationals this year for re-donating this prize-money back to the fund.

Length of hooves

Hooves (with or without shoes) may be up to 90mm in length for ponies under 1,37m but no bar shoes or studs will be allowed at this stage. Council will do a full investigation of the availability of suitable shoes and the recommendations of a number of veterinarians. A directive will be issued later in the year, after the next Council meeting.

National Championship Judges

Because top Welsh judges are booked two or three years in advance, we have already invited Mr. David Jones & Mr Geraint Thomas

EAP course to be held in Tarkastad

On Friday 8th - Sunday 10th October Jean Budler will be hosting an EAP course in Tarkastad. This will be a workshop on the subject "Understanding Horse Behaviour" from an Equine Assisted Psychotherapy Perspective. It will be facilitated by Rolyne Rensleigh. This course will be of great interest and benefit to all horse lovers and stud breeders.

All interested persons to please contact Jean Budler tel. 0458470204 or email her at info@llandilo.co.za

(Telynu Stud) to judge at our Championships for 2011. Between them they are on the panels for all sections and can also judge most of our ridden classes. Stop-press news is that David has been invited to judge Section B ponies at Royal Welsh next year.

However we will need local judges for the harness classes and some of the ridden classes. We therefore invite motivated written nominations to be sent to the Secretary as soon as possible. These nominations will be assessed by a panel appointed by Council and invitations will be issued to their chosen judges. You are also requested to submit motivated nominations, with a CV, for both local and international judges for 2012.

Northern Region Judges

The Northern Region would also like you to put forward written nominations for local and international judges for major shows in 2011 and 2012. Shows to be considered are Autumn Gold Cup 2011 & 2012, Pretoria Show 2011 & 2012, Summer Showing Festival 2011 & 2012 & Horse of the Year Show 2012. These nominations should be sent or given to any Regional Committee member.

Books for sale

One of our members has donated a selection of second-hand books for sale. Some of them date back to 1830s and all will be of interest to horse-lovers. A list is available on the web-site under news. Please contact the Secretary to make offers to purchase.

The Constitution

The Welsh Pony and Cob Society of SA has had a bad experience regarding its Constitution. One member of the Society objected to the legitimacy of the AGM in 2009 because the agenda for the meeting was posted 25 days prior to the meeting to members and not 30 days as stated in clause 11.2.5 of the Constitution.

This member complained so vehemently that the Manager of Stud Book and the Registrar of Livestock agreed with him on the unconstitutionality of the AGM in 2009. Our agenda for the AM in 2010 called it a meeting of members with all decisions made as points for discussion again in 2010. At the start of the AGM the meeting decided to regard the meeting in 2009 as unconstitutional. To me it felt as if the whole Society was giving in to somebody who had behaved like a child throwing a tantrum – and we were wrong to declare the AGM of 2009 unconstitutional.

The Constitution is not an instrument for the regime of the Society to govern the members. It is an instrument that creates routes for the members to serve the wellbeing of the Welsh ponies. It is in legal terms the property of the Society. The spirit of the Constitution can never be to handicap the work of the Society. It is always to help in this regard. When the meeting in 2009 took notice of the fact that the agendas were posted a few days late and decided to continue with the meeting, the mistake was rectified and the meeting constituted as a legitimate AGM. And to emphasize that this is the way to use the constitution there is clause 11.6 which reads: No matter which was concluded in a proper way at any meeting, may be declared invalid because any member did not receive notice according to the requirements of the Constitution. Hopefully this bad experience will help the Society in future not to allow anybody to misuse the Constitution for personal gain. The aim of the Constitution (to improve the

RULE CHANGES

Changes to show rules

As passed at the Annual General Meeting
27th April 2010

1. Baren mares should be offered a separate class at Regional and National Championships, for each section and Partbreds which will qualify the first and second prizewinners for subsequent breed championships
2. In the breed classes alternate runners may be allowed. Handlers may be allowed to swap with the permission of the judge.
3. In harness classes an optional ribbon is allowed in the plait behind the ears of Purebred ponies. Ribbons should be clearly visible and consist of three different colours of the exhibitor's choice.

Change to the bye-laws

There will be a set protocol on the registration of sections of Purebred Ponies and Cobs as set out below:

A x A = A; B x B = B; A x B = B

C x C = C until measured at 5yrs; A x C = C

B x C = C until measured at 5yrs; A x D = C until measured at 5yrs

B x D = C until measured at 5yrs; C x D = C until measured at 5yrs

D x D = D until measured at 5yrs

Once a pony or Cob has been measured at the age of 5 yrs it will either remain in the section indicated above or be moved to the appropriate section for its height. The onus is on owners to provide a certificate to the Office with any request to change sections as a result of a height measurement.

interest of the Welsh Ponies – clause 2.1.-) is more important than any word or clause in the Constitution.

Bukkenburg Glenda 1986 - 2010

Glenda and I spent 16 fun filled years together and she is sorely missed. When I walked in the field to check anything she walked alongside me as the good friend that she was. I could write about all the competitions that we won together and there were many, but it would become a tedious boastful litany and I would rather remember her for other things. Her bravery that was much greater than mine in a scary hazard and her huge heart that never let her down no matter what was asked. She also had a sense of humour in as far as a horse can, she would pretend to be afraid of water or a piece of paper when on a training drive but never batted an eye when it mattered.

The most memorable thing about Glen was the sheer joy I felt from her when driving her and that is the thing that attracted people to her I think. To me she was beautiful, though not in the classic sense and I suppose that was because I loved her and I know she loved me. Rest in peace my lovely girl, I will never forget you. - Sarah Rose

D'leni Christmas Queen 1988 – 2010

Queen arrived in my life as a four-year-old. She had had a few unfortunate experiences in her earlier years, and despite being strongly advised against buying her, she had something special about her. I bought her, and despite careful work – progress was agonisingly slow in producing her as a ridden pony. That X factor was only to be exhibited due to the inspired advice of Monica Marcus. Queen was hot, nervous and frightened – and it was thought a change to driving may enable her to settle to a job. From that time on Queen was to be one of the most amazing ponies this country had seen. She won Multiple Supreme Championships In-hand – the most notable being SA National Championships twice, Vaal Show Interbreed and finishing in the Top 5 Interbreed at both Pretoria show and Autumn Gold Cup. She excelled in the ridden arena – show jumping to 90cm, eventing, novice dressage and of course Multiple Championships in the show ring. In 1995 and 2000 she was Supreme ridden Partbred at Rand Show and SA National Championship Partbred Ridden in 2006.

Queen will however be best remembered for her outstanding achievements in harness. She was first shown in harness at the 1996 SA Welsh National Championships – where she took all three Championships she competed in – Single harness, Fine Harness and Private Drive.

For the next 14 years Queen was only beaten a

handful of times in any of the three categories. She loved to perform – showing the extended trot she was to be much admired for, and always rising to the occasion. She died having accumulated 33 500 Legion of Merit Points. A record certain to stand for many years to come. Queen however also believed she should be treated as such – and demanded her comforts. She was a pony who was never too hot and always needed many rugs to be comfortable. If she got cold – the noise in the middle of the night ensured that I was woken and went to the stable to put extra rugs on. Such was the demanding nature of the most giving pony I had the privilege of knowing.

A memorable 2009-2010 show debut for Paddock Hill

Our debut success in the show-ring has brought much satisfaction to our team at home. After an early decision not to compete until we could enter our own homebred stock, the year 2009 seemed the appropriate time to enter the showing arena. We were hopeful that by this time we were achieving the standard which we had set in our breeding programme.

The four Paddock Hill fillies which we chose to enter were representative of the 2-4 years class, the under 2 years class and the under 12 month filly class - junior fillies therefore, which did us proud not only in these classes but by also achieving success in the Supremes at this early stage in their careers. We also entered our stallion at Regional and National level.

Our filly, Paddock Hill Sun Coquet, must perhaps take pride of place. In the one and a half years in which she has been entered, this

Paddock Hill Sun Coquet remarkable pony has taken five consecutive Junior Championship titles, two of which have been consecutive South African Junior Championships. During the same period, she has also gone on to become Supreme Champion at Heidelberg in the Western Cape, Reserve Supreme Champion at the Eastern Cape Regionals at Cradock and the SA Reserve Supreme Champion at Nationals.

A younger half sister of Sun Coquet, Paddock

Hill Sun Frolic, has done her best not to be entirely outdone.

Accordingly, she has been placed 1st in

her under 2 years filly class in the three shows in which she has been entered (Heidelberg 2009, Nationals 2009 and Robertson 2009). She has also been judged Reserve Junior Champion on two consecutive occasions at Heidelberg in 2009 and 2010.

Paddock Hill Sun Kissed, Sun Coquet's youngest sister, is doing well in her attempt to catch up to her two older half sisters. So in the under 2 years filly class, she has

taken 1st place

on three occasions (Cradock 2009, Heidelberg 2010 and Nationals 2010). At Nationals this year she was also SA Reserve Junior Champion.

In her first outing, Paddock Hill's filly foal, Sweet Augusta, won Reserve Champion in Heidelberg in 2010.

We have also had the privilege of having two and

three ponies competing together in Supreme Championships. So at Heidelberg in 2010 Sun Coquet, Sun Frolic and Sun Kissed competed against each other in the Supremes as did Sun Coquet and Sun Kissed in the National Supremes this year.

Llandilo Sabre

Mention cannot be made of the success of the above Paddock Hill "Sun" strain without saluting a dapper little broodmare, Llandilo Sundew, (ex Torbry Sungleam by Llandilo VIP) dam of our

winning fillies. To date her progeny are the product of three different sires which highlights how crucial good female lines are in any breeding strategy.

There can of course be no stud without a stallion. In his only two outings while in our ownership Paddock Hill's stallion, Llandilo Sabre, has taken top honours in the Western Cape by winning the Senior Champion Stallion class, the Supreme Champion class. He was also judged Western Cape Supreme Champion Welsh Pony. At Nationals this year, Sabre was SA Reserve Supreme Champion.
