## LETTER FROM THE PRESIDENT

### To all Society members

We still have fresh in our memory a highly successful National Championships in Bloemfontein. The "Thank-you"s were made during the prize-giving supper, all the trophies were presented and everyone left Bloemfontein with (hopefully) a song in their heart and full of enthusiasm for Welsh Ponies and Cobs.

It is now time to look back on the show and ask a few questions. It is to no-one's advantage if we all say it was a nice show and don't look in depth at how we can make next year's show an even greater success.

My first question: Are we really attracting the top breeders to show their ponies. Times have changed but I remember that in 1984 there were 15 - 20 foals in the foal class. After this the class was split to make provision for judging filly and colt foals separately. This year there were 9 foals at the show. I should like to know from the breeders who did not attend the show what the reasons are that they don't show. If we have these answers then we can see what we can do about it. What was heartening was the number and high quality of the Cobs entered at the show. A dark cloud here was the fact that the Senior Cob stallions had only one or two in the class. Where are all the good stallions?

My second question concerns the Annual General Meeting. We had the most members present at this year's meeting that we've had for many years. There were 38 members present and 27 members were represented through giving their proxies to members to speak on their behalf during the meeting. Why do members not attend the Annual General meeting? Is it the wrong time of the year; is it the wrong time of the day; is the agenda dull and monotonous and offers no challenge to members or, even more frightening, have the members lost trust in the Society and the Council? We would like answers to these questions. Once we know why members don't attend the AGM then we can give attention to these issues.

Members were requested to offer suggestions for an alternative venue for the Nationals Championships. Since the Council has received no official proposals the conclusion is that Bloemfontein is the right place to hold the National Show. Next year the show will take place from 27th to 28th April. Council will try to negotiate with Bloemskou to allow us to hold the Breed classes on Tuesday afternoon. We will keep members informed about these arrangements. All we ask of you is that you note these dates and make sure that you, your family (and your ponies) are part of this occasion.

Enjoy your ponies and remember that I am available at any time for any member to contact me.

# Aan alle Walliese Ponie lede

Ons het nog vars in ons herrineringe 'n baie suksesvolle Nasionale Kampioenskappe te Bloemfontein. Die dankies is gesê tydens die prysuitdelings dinee en al die trofees is uitgedeel en almal is uit Bloemfontein uit weg met (hopelik) 'n lied in hulle hart en vol entoesiasme vir die Walliese Ponies.

Dit is egter nou tyd om 'n terugblik te neem op die skou en 'n paar vrae te vra. Dit is tot niemand se voordeel as ons almal sê dit was 'n lekker skou en daar word nie in diepte gekyk om volgende jaar se skou 'n nog groter sukses te maak nie.

My eerste vraag: Kry ons regtig die top telers om hulle ponies te kom vertoon. Tye het verander, maar ek onthou in 1984 toe daar 15 – 20 vullens in die vulklas was. Net hierna is die klas gedeel om voorsiening te maak vir merrie- en hingvullens apart. Vanjaar was daar 9 vullens op die skou. Ek sal graag van telers wat nie die skou bygewoon het wil weet wat die rede is dat hulle nie die skou bygewoon het nie. As ons hierdie antwoorde het kan ons kyk wat ons daaraan kan doen. Wat verblydens was is die

aantal Cobs wat aan die skou deelgeneem het en die kwaliteit van hierdie perde. Wat 'n donker wolkie hier was is die feit dat die Senior Cob Hingste net een of twee in die klas was. Waar is al die goeie hingste?

My tweede vraag is rakende die Algemene Jaarvergadering. Dit is die meeste lede wat ons nog teenwoordig gehad het tydens die Jaarvergadering in baie jare. Daar was 38 lede teenwoordig en 27 lede was teenwoordig deur hulle proksies aan lede te gee om namens hulle, hul wens uit te spreek tydens die vergadering. Hoekom woon lede nie die Jaarvergadering by nie? Is dit die verkeerde tyd van die jaar, is dit die verkeerde tyd van die dag, is die agenda saai en eentonig en bied geen uitdaging aan lede nie of nog meer skrikwekkend, het die lede vertrouwe verloor in die genootskap en die Raad. Ons sal graag hierdie vrae beantwoord wil hê. As ons weet hoekom lede nie die Jaarvergadering bywoon nie, kan daar aandag gegee word daaraan.

Daar is 'n versoek aan lede gerig om voorstelle in te dien vir 'n alternatiewe terrein vir die aanbied van die Nasionale Kampioenskappe. Daar was geen amptelike voorstelle aan die Raad deurgegee en die gevolgtrekking is dat Bloemfontein die regte plek is vir die Nasionale skou. Volgende jaar vind die skou plaas vanaf 27 tot 28 April. Die Raad gaan poog om met Bloemskou te onderhandel sodat die teelklasse die Dinsdag middag afgehandel kan word. Ons sal u as lid ophoogte hou van hierdie reelings. Al wat ons van u vrae is om hierdie datums te merk en seker te maak jy en jou gesin (en jou ponies) is deel van hierdie geleentheid.

Geniet julle ponies en onthou ek is beskikbaar ter enige tyd vir enige lid om my te kontak

## Council Matters

### CHANGE TO BREED STANDARD

Attention of members is drawn to the change in the Breed Standard for Section A ponies approved at AGM 2009:

**Action:** Quick, free and straight from the shoulder, well away in front. Knees and hocks well flexed with straight and powerful leverage with hocks well under the body.

### “OFF LEADREIN” CLASSES

We have been using this term in Gauteng for some time now to describe what were previously known as “Beginners’ First Pony” classes. We changed the name because we felt it was more descriptive of the aim of the class. Discussing this with Philip Cooper at Autumn Gold Cup, he asked why we didn’t use the title “First Year First Ridden” classes as they do in U.K. This probably describes the aim of the class far better than either of the other names. It is intended as a bridging class between leadrein and First Pony where some of the riders have become very competent before they move out of this age category. In the “First Year” classes riders are not expected to canter in any stage of their class but they can still gain confidence, competing alone without a reassuring hand on the leadrein. It also provides a definite time frame which will ensure that riders move on to the next level after a year, or sooner if they feel confident enough to do so. Please parents, teachers and judges let us know your views on this idea.

### JUDGES PROTOCOL (adapted from WPCS showing handbook)

1. Exhibitors must not show under a judge who has or has had a financial interest or has had a financial interest in that particular animal, stud fees excluded. (the exhibitor is the owner, lessee or person producing/showing the animal).

2. A judge may not adjudicate an animal

which, to the Judge’s knowledge, was sold, leased or produced by the Judge or his immediate family or employer.

3. A rider, whip or handler must not compete in a class judged by a person for whom he/she has ridden, driven or produced or shown in hand during the previous twelve months.

4. An exhibitor must not enter a class under a Judge who has produced an animal for that exhibitor within the previous 12 months.

## *The Start of Spring*

The sun comes sneaking out from  
behind the hill

The trees yawn and shake the frost  
off their leaves

The small flower buds open up and giggle  
with happiness

Out come the small animals with little grins  
as they see the smiling sun

The small blades of grass start to creep  
out of the soil

The bright blue sky bursts out  
from behind the clouds

The cold wind fades into a warm breeze  
The new green leaves dance on the branches  
of the trees

The buzzing bees skip along  
Sucking the nectar from the flowers  
The bright colours are beautiful

## *The Stallion*

He gallops through the field  
His mane dancing in the wind  
As he rests near a lake

His shimmering coat glistens in the sunlight  
Gulping sounds can be heard as he drinks  
the water

As the sun starts to set and it fades to night  
The stallion gallops towards the horizon  
Leaving silence

And the only sound that can be heard  
Is the sound of hooves pounding the ground.
