### MEET THE JUDGE

## Judith Reed

*We asked our overseas judge for 2008 Nationals to tell us a bit about herself - and have received the following letter:*

I was born into a hunting/racing family, I started riding at the age of 5 on a welsh mountain type pony. My interest in showing and breeding welsh mountain ponies began by traveling to shows with my neighbour Mr Breian Llewellyn of the Wiston Stud. I had several good show jumping ponies that used to travel on the front of the lorry and used to compete after we had shown the mountain ponies in the morning. In 1978 my Father bought me 2 sec A's Friars Spring Maid and Fieldcote Granny's Bonnet, Spring Maid still being with us today at the age of 32. They were followed by Friars Fairy Tale in 1981 also still here at 28 yrs and the majority of the ponies here at the stud are from these three family lines.

Over the years we have had much success showing our ponies with some of the highlights

being Royal Welsh Youngstock Champion with Haverford Misty Maid, Champion 3 times at the United Counties Show with Haverford Golden Mist, Haverford Folly and more recently 2006 Haverford Roses in the Snow. The ponies have won many bronze medals with most of the ponies in the stud having won at least one and we have 2 dual winners of silver medals being Haverford Child of the Mist and Haverford Folly.

I've been on the judging panel for over 20 yrs having had the honour of judging at some of the major welsh shows, including Glanusk Welsh Stallion Show, Three Counties Show, Denbigh & Flint, Northleach Welsh Show, Welsh National Foal Show and the Royal Welsh Winter Fair and many more medal shows.

My main other horse interest has been hunting and racing having been a Master of the Pembrokeshire Foxhounds for 7 yrs 1992-1999 and also have a passion for national hunt racing and amateur steeplechasing (point to pointing) having managed to ride a winner on my own home trained mare.

## WP&CS Council Notes and Notices

### Council Newsbrief

*Decisions and Information from the  
Council meeting of 9th February 2008*  
Council

Mr. Poena van Niekerk has resigned from Council with immediate effect. Council thanks him for his input over the last four years and wishes him well with his future plans.

#### Welsh Pony & Cob Society Journal

Whilst Mr. Gustav Karlsson has every right to express his views on the activities of the Society this cannot be done in a context in which he may be viewed by readers as an official spokesman for the Society. Mr. Karlsson's use of the editorial of the 2007 edition to express his personal disagreement with the policies and composition of Council without prior consultation with the relevant body has resulted in a Council decision to withdraw its endorsement of the Journal as an Official publication of the Society. We fully acknowledge and appreciate Mr. Karlsson's contribution in terms of time, money and effort to the development of a Welsh Pony & Cob Society Journal for South Africa and regret that it was necessary to take this decision.

#### National Championships

The National Championships will be held in Bloemfontein from 28th to 30th April 2008. The Supreme Breed Championships and the Section A Supreme harness Championship will take place on Tuesday evening. Competitors are once again requested to wear evening dress (suggested dress for handlers is white shirt, black trousers & matching coloured cummerbund and bow tie).

In the Sec. A Supreme Champion Single Harness and the Supreme Champion Double Harness, Top 5 placings will be made.

Stables - a charge of R20 per stable will be levied. Stables will be reserved on a first come, first allocated basis. If anyone books and pays for stables but has not submitted entries for the show by the official closing date of entries, the stable fee will be forfeit and the stables will be re-allocated.

Judges for National Championships confirmed to date are Miss Judith Reed (Haverford Stud, U.K.), Mrs. Barbie Gertenbach & Mrs. Bev. Williamson.

Mr Grant Flannigan from Bloemfontein will be available on call as the official farrier for the show.

Because of the concerns expressed by many competitors over the possible doping of ponies, it is intended to introduce dope testing at the National Championships.

The prize-giving will take place at a supper on the last evening. Space is limited so competitors are encouraged to book their place when they enter. There is no guarantee that places will be available for booking during the show.

### **NAMPO**

A decision to support this expo was taken at the 2007 AGM. We need a Convenor to organise and run a Welsh Pony & Cob Society stand and organise a daily display for four days from 13th to 16th May at the Bothaville Expo Centre. All reasonable

accommodation and transport expenses will be met. For further details please contact De Wet Human 082 8001430 or Sue Cook 0837882503.

### **Constitution**

The changes to the Constitution passed at 2007 A.G.M. have been approved by the Registrar of Livestock and will come into immediate effect. In addition several clauses have been added by the Registrar to bring the Constitution in line with the requirements of the Animal Improvement Act.

These clauses will be circulated to members for information with the Agenda for the forthcoming Annual General meeting. Once the final version of the updated Constitution has been accepted by S.A. Studbook Association on behalf of the Registrar it will be published on the website and made available for members in printed form.

### **Disciplinary Code**

Suggestions & Comments from members have been incorporated into this document. It will be circulated to members with the Agenda of the A.G.M. and proposed for approval at the Annual General Meeting 2008.

### **Judges**

Mr. Jack Gilfillan and Ms Dianne Nicholson have been promoted to the National Judges Panels for Breed, Riding and Harness. Mrs. B. Gertenbach has been promoted to the Regional panel for Breed classes.

# **Raad Nuusbrief**

## ***Besluite en Inligting uit die Raadsvergadering van 9 Februarie 2008***

### **Raad**

Mnr. Poena van Niekerk het uit die Raad bedank met onmiddellike effek. Die Raad bedank hom vir sy insette oor die laaste 4 jaar en wens hom voorspoed toe met sy toekomsplanne..

Walliese Ponie & Cob Genootskap Joernaal Alhoewel Mnr. Gustav Karlsson die reg het om sy mening te lug oor die aktiwiteite van die Genootskap kan dit nie gedoen word in 'n konteks waar hy deur die lesers as 'n offisiële segs persoon van die

Genootskap beskou word nie. Mnr. Karlsson se gebruik van die voorwoord van die 2007 uitgawe om sy persoonlike meningsverskille met die beleid en samestelling van die Raad te lug sonder vooraf konsultasie met die betrokke liggaam het gelei tot 'n Raadsbesluit om die onderskrywing van dié Joernaal as 'n amptelike publikasie van die Genootskap terug te trek. Die Raad erken en waardeer mnr. Karlsson se bydrae in terme van tyd, geld en moeite met die ontwikkeling van 'n WPCS Joernaal vir Suid-Afrika en betreur die nodigheid van hierdie besluit.

### **Nasionale Kampioenskappe**

Die Nasionale Kampioenskappe sal in Bloemfontein gehou word van 28 tot 30 April 2008. Die Opperste Teelklas Kampioenskappe en die Seksie A Opperste Kampioen in Tuig sal op Dinsdagaand plaasvind. Deelnemers word weereens versoek om geklee te wees in aanddrag (voorgestelde drag vir hanteerders is 'n wit hemp, swart broek en dieselfde kleur kamarband en strikdas).

In die Seksie A Opperste Kampioen Enkeltuig en die Opperste Kampioen Dubbeltuig sal die Top 5 plasings gemaak word.

Stalle – 'n Foor van R20 per stal sal gehef word. Stalle sal bespreek word op 'n eerste kom, eerste geallokeer basis. Indien enigemand stalle bespreek en betaal het, maar nog nie teen die amptelike sluitingsdagum

vir inskrywings enige inskrywings gemaak het nie, sal die stalfooie verbeur word en stalle sal hertoegerken word.

Bevestigde beoordelaars vir die Nasionale Kampioenskappe tot op datum is Me Judith Reed (Haverford Stoet, U.K.), Mev. Barbie Gertenbach & Mev. Bev. Williamson. Mnr Grant Flannigan van Bloemfontein sal beskikbaar wees op roep as die amptelike hoefsmid vir die skou.

As gevolg van kommer uitgespreek deur verskeie deelnemers oor die moontlike gebruik van bedwelmende middels/opkickers by ponies, word daar beplan om toetse hiervoor by die Nasionale Kampioenskappe uit te voer.

Die prysuitdeling sal tydens 'n ete op die laaste aand plaasvind. Plekke is beperk en deelnemers word versoek om plek te bespreek wanneer hulle inskryf. Daar is geen waarborg dat plekke gedurende die skou beskikbaar sal wees vir bespreking nie.

### **NAMPO**

'n Besluit om hierdie ekspo te ondersteun is gedurende die 2007 AJV geneem. 'n Sameroeper wat 'n WPCS stalletjie kan organiseer en beman asook 'n daaglikse vertoning kan uitvoer vir 4 dae van 13 – 16 Mei by Bothaville Ekspo Sentrum word benodig. Billike akkommodasie en vervoer uitgawes sal betaal word. Vir verdere inligting kontak De Wet Human 082 8001430 of Sue Cook 0837882503

### **Konstitusie**

Die veranderinge aan die konstitusie voorgelê tydens die 2007 AJV is deur die Registrateur Lewende Hawe goedgekeur en sal onmiddellik in werking tree.

Daarbenewens is verskeie klousules deur die Registrateur bygevoeg om sodoende die Konstitusie in lyn te bring met vereistes van die Diereverbeterings Wet. Hierdie klousules sal ter inligting aan lede gesirkuleer word saam met die agenda vir die toekomstige AJV. Wanneer die Finale

### **ERRATUM**

## **SA Championships results**

We regret that there was an error in the results for the 2007 SA Championships.

SA Champion Partbred Working Pony was Waterside Hatherop ridden by Teegan Hardiman and Glenluce Ballentrae with Kari Larkins was Reserve.

We apologise to those concerned.

# Here is truly a pony for all seasons

Many people have commented on the lovely pony used in our adverts and on our website. The pony is Crossfoxes Sandpiper aka Munchkin. She was bred by Sandy Cuddy.

This little 12 hand pony has been ridden, on a snaffle, by Ben and Anacy Lane and has won hundreds of rosettes for them but most importantly they have had so much fun with her. In the picture Ben, then 9yrs old, is riding Munchy through Noordhoek wetlands, accompanied by his other best friend Noo Noo.

Ben has since outgrown Munchy and Noo Noo has sadly passed on but Ben, his new dog Baloo and pony Sachin do pretty much the same things still. They were however awarded Full Pony Club colours for Show Jumping this year. Now Anacy is riding Munchy and they graduated from Little League to Novice Showing in September last year. Munchy is a pony first. We don't clip her body or ears, paint

hooves and eyelashes because we like her as she is. What a fabulous little pony - and thank you to Trish Lane for sending us this update..

uitgawe van die opgedateerde Konstitusie namens die Registrateur deur SA Stamboek Vereniging aanvaar is, sal dit op die webwerf gepubliseer word en sal dit ook in gedrukte vorm aan lede beskikbaar wees.

## **Disiplinêre kode**

Aanbevelings en opmerkings van lede is geïnkorporeer in hierdie dokument. Dit sal aan lede gesirkuleer word met die Agenda van die AJV en voorgestel word vir aanvaarding by die AJV 2008.

## **Beoordelaars**

Mnr. Jack Gilfillan en Me Dianne Nicholson is bevorder tot die Nasionale Beoordelaars Paneel vir Teel-, Ry- en Tuigklasse. Mev. B. Gertenbach is bevorder tot die Streeks Paneel vir Teelklasse.

# Twee Soorte Cobs?

*deur Schalk du Toit*

In Dr. Wynne Davies se boekie *Welsh Cob Champions* (1985) beskryf he die algemene karakter van 'n Cob as "the embodiment of strength, hardiness and agility. The head shows great quality with "pony" character, bold prominent eyes, a broad forehead and neat well-set ears". Die liggaam moet diepte hê en in die bene soek hy "an abundance of flat bone". Kyk ek na die fotos van die kampioene in sy boekie lyk dit nie so maklik om al drie hierdie eienskappe in dieselfde perd te kry nie. Dit bly natuurlik die uitdaging van enige teelbeleid om die ideale dier te produseer. Die moeilikste lyk vir my is om die mooi poniekop en die "abundance of flat bone" in dieselfde perd te voorskyn te bring. As die bene swaar genoeg is, raak die kop grof. Word die kop mooi, raak die bene fyn.

Terwyl die Cobs hoofsaaklik gebruik is as werksdiere was die sterk bene sekerlik belangriker as 'n mooi kop. Die voorkoms van die kop het mettertyd al belangriker geword en die ryvermoë belangriker as die werksvermoë van die Cobs. Dit het daaroe gelei dat 'n aantal cobtelers in die Verenigde Koninkryk doelbewus besluit het om ryperde - met mooi koppe, minder bene en 'n oorwegend ry-aksie - te teel. Natuurlik is daar ook tellers wat by die sentiment van die voorgeslagte wil hou. Die mense met wie ek gesels het, onderskei tussen die Cobs en die ryperde.

Dit was onvermydelik dat verteenwoordigers

van beide rigtings in Suid-Afrika sou land. Ek dink daar is 'n goeie saak uit te maak van elk van die twee rigtings, maar elke eienaar en teller van Cobs sal met se eie smaak en voorkeure besluit wat om te doen. Vir my is dit net baie belangrik dat ons van hierdie onderskeid bewus moet wees en die saak goed deurdag hanteer. Ek wil dink dat dit moeilik (byna onmoontlik) gaan wees om met teling van die ryperdtipe Cobs na die tradisionele Cob terug te keer.

By die Walliese Bergponies (seksie A) het dieselfde ding gebeur en het ons in die RSA die tradisionele tipe leer ken deur die Coed Coch ponies en die ander rigting deur die Revel ponies. So 'n spatseltjie van laasgenoemde by eersgenoemde het 'n goeie uitweking gehad, maar 'n oorverfyning het die sogenaamde "pugs" voortgebring waardeur die ponies skade gely het. Die Walliese Ponies (seksie B) is die swaarste deur die "nuwe" filosofie getref. Van wat ek kan uitmaak is die hele B-bedryf in die VK deurmekaar. Kan ons voorkom dat die twee rigtings by die Cobs 'n negatiewe gevolg vir die Cobs het? Persoonlik dink ek dat ons baie gaan verloor indien ons sonder diskresie oor en weer tussen die twee tipes teel. 'n Teelbeleid wat nie 'n doel nastreef nie, gaan 'n mens ook nêrens uitbring nie.

Dit kan net tot ons voordeel wees as ons die saak deeglik bespreek - sonder om persoonlik te raak. Ek sien daarna uit om reaksie op hierdie skrywe te kry.

# Vrystaat Verslag

Dit was 'n baie goeie jaar vir die Vrystaat op die gebied van kompetisies asook groot skoue. Die Vrystaat het met twee Hoofslag vertonings hulle kant gebring en was daar verteenwoordig. Wat skoue betref het dit baie goed met ons gegaan. Van ons Juniors het baie goed op al die groot kompetisies aan die Rand gedoen soos "Horse of the Year". Delandi Human - Opperste Kampioen Jong Kind se Ponie alle rasse. Die ESL kampioenskappe 'n 3e vir performance riding vlak 3 en 'n6de in die werkende ponie vlak 3, en dan ook twee span goue medaljes vir bg. Klasse. Die ander kinder swat deelgeneem het was die van M. Venter.

## Vrystaatkampioenskappe

Wat 'n groot sukses nadat de Wet besluit het dat ons kan en sal dit doen. Daar was maar min perde maar dit was die moeite werd vir elke vertoner wat daar was. Die total van die perde wat daar was was 35. Dit was maar vir uithaal en wys of jy het die loef afgesteek. Dit was 'n baie suksesvolle skou en ons borggeld en prysgeld het die bedrag van R15,000 opgebring wat as baie hoog beskou moet word. Dit was 'n baie aangename skou en so kan die jongere vertoners meer betrokke raak. Baie geluk aan al die vertoners, julle het julle baie goed van julle taak gekwyd.

## Nou kom ons by die hoekoms en waaroms?

Ek spreek my voluit teen 'n ingevoerde beoordelaar. So 'n persoon kos ons net geld en beteken vir ons as ras net mooi niks. Daar bestaan nie 'n storied at ons voordeel uit so 'n beoordelaar trek nie. Al is so 'n persoon geborg, gee liwer die borggeld vir die genootskap sodat dit vir pryse aangewend word. Kyk nou maar elke jaar kom advertree die oorseese beoordelaar net sy stoet hier. So 'n persoon kan net teelklassen doen maar weet niks van ry of trekklasse nie. Moet nie dat potensieele beoordelaars van ander rasse sê ons is besig met 'n sirkus nie.

Kyk na die standard van Klubskoue:

Jammer om te sê die nasionals kampioenskappe asook streekskampioenskappe steek die loef af by klubskoue: Vat Cradock skou 2007 hoe groot was daardie skou wat eintlik 'n Boerperd asook Saalperd skou was. Daar was ook in die 30 Walliese ponies en die standard was hoog. Die reels was streng vervolg. Niemand het sonder, of met 'n verkeerde nommer die baan ingegaan nie. As 'n vertoner nie reg aangetrek was nie is die baan net vir so 'n vertoner geweier. Prys-geld baie goed soos R250 vir Grootkampioen enkeltuig en dan ook 'n baan wat rondom staan van mense om 14 ponies te sien meeding vir die Groot Kampioen Enkeltuig. Dit is 'n belewenis om te hoor hoe moedig die publiek die perde aan. Waarom staan ons met Bloemfontein terug vir alles en almal.

Nou vra ek dat die versamel ring gids na die volgende asb moet kyk en nie die hoofbaangids in 'n verleentheid stel om met mense oor die volgende te praat nie:

Indien 'n deelnemer sonder 'n nommer die versamelring binnegaan stuur so 'n persoon terug of weier dat die persoon in die hoof arena binnegaan.

Persone met verkeerde nommers stuur terug of weier dat die persoon in die hoof arena binnegaan. So 'n insedent stel die tabilleerder in 'n baie moeilike posisie. Dit is dan die verkeerde perd wat in die arena is.

As die kleredrag nie reg is nie vra om die baan te verlaat.

As die hek toe is is die hek toe en niemand moet binnegaan nie. As 'n deelnemer weens omstandighede laat is sal 'n redelike tyd aan die persoon gegee word indien dan laat is, is laat hek gesluit.

Sulke insidente het met klubskoue gebeur en die hoofbaan gids het maar net sy hoed vir sulke persone afgehaal (uit by die hek). Kyk asb dat sulke insidente nie met ons Nasionale Kampioenskappe gebeur nie. Sulke dinge doen net afbreuk aan die ras.

Groete, **P. Botha**

## **2007 Pretoria Show - Regional Champs**

When Anthony and I were invited to judge the Welsh classes and other varied classes at Pretoria Show for a second time we were highly delighted. Immediately our thoughts returned to the beautiful animals we had seen at the show, the people we had met and the whole experience of visiting South Africa, particularly Kruger.

Thirteen years had passed since our first visit so to refresh our minds we dug out our photo albums and the video we took at the show and afterwards. And so it was that we were even more excited when left Melbourne, Australia, for Johannesburg.

This time we flew straight from Johannesburg to Cape Town where we were met by Gustav Karlsson and taken to his superb property and Welsh Cob Stud at Albertinia. Gustav and Glynis were amazingly generous hosts and we saw a great deal and learnt a lot while in their company.

We flew back to Johannesburg for the show and were caught unawares by the unexpectedly hot weather. It was so nice to be able to meet up again with Sue Cook who had invited us to judge on behalf of the Welsh Pony & Cob Society of South Africa and the Pretoria Show Society.

Although numbers in some of the Welsh classes were not large, there were ponies of quality forward and when I saw the final line up of Supreme Champions I was particularly pleased. I recalled being so impressed back in 1994 by the fact that many ponies appeared in their lead classes, then under saddle and then in harness. This time sadly there were very few in harness but the ponies I judged lead and then in their saddle classes were lovely ponies who gave a very nice show.

I was very interested to learn afterwards that so many of my major placegetters were closely related, proving that some very dominant animals have made a lasting impression on the show scene.

At the conclusion of judging on the second day,

when the Interbreed Supreme Championship was held, I felt very proud of the animals representing the Welsh breeds - there was Caernafon Tabuttana Dunkid as Supreme Champion Sec A, Vintage Count Pushkin as Supreme Champion Sec B, the Sec D mare Heron's Ghyll Teresa as Supreme Champion C/D and Caegwyn Guinevere as Supreme Champion Welsh Part Bred. I was particularly pleased to see Llandilo Paragon in the the Interbreed Supreme representing the Open Ring, as she had been my Reserve Supreme Champion Sec A Mare.

It would have completed the day for me if the winning Welsh Gelding, Dunkid St Peter, had also been eligible for the Interbreed as he was a very good type.

For the Interbreed Supreme the arena took on an ethereal atmosphere as smoke (albeit from a braai) blanketed the exhibits and their handlers. Bathed in back light (from where I was watching) and wreathed in smoke the animals took on a heavenly appearance. Of twenty-two eligible exhibits, twenty were forward including five Welsh. When the ten finalists were announced they included the Sec. A, B, PW and the Open Section winner who was the Sec. A mare. Then when the top five were announced I felt we were in with a very good chance as the Welsh A, B and Part Bred were called forward.

There was great excitement in the Welsh camp when the charismatic little Sec. A stallion was yet again called forward and sashed by the two judges. Spurred on by the applause and his success and covered in awards he thrilled the crowded grandstand with his wonderful victory display. To complete the Welsh coup the Reserve Supreme Championship went to the Welsh Part Bred. A great day for the Welsh breeds in South Africa.

It is interesting to note that back in 1994 when Anthony and I last judged at Pretoria the Welsh Part Bred Champion, Dimmock Dragonfly, also took the prestigious award of Interbreed Supreme Champion.

Anthony thoroughly enjoyed judging the led

and ridden Anglo and Partbred Arabians, the Connemaras and the Working Hunter Ponies and was very pleased with his major award winners.

Once again we were impressed by the warm welcome we received and the friendliness we were shown. The show was very well run and most enjoyable and we thank the Welsh Pony & Cob Society of South Africa for inviting us to judge and for providing us with exception-

al accommodation.

To top off a wonderful trip, after spending a few days in the company of several old friends near Johannesburg, we were able to get to Kruger for several days - truly one of the greatest experiences on this planet.

# Paddock Hill Stud

“A Pony without an ego is a pony without a soul”.

Paddock Hill stud is situated in Wilderness in the Garden Route. From the beginning - we registered with the WP&CS in 2004 - our aim was to acquire mares which were the direct, or very close, descendents of imported mares. Our focus, not surprisingly, was on the Badgemore, Coed Coch and Revel bloodlines. Although this decision has meant that our broodmares are of relatively advanced age, the plus side is that their progeny - sometimes over seven or eight generations - are proven. In this start to our stud the advice of Mrs Jean Budler of the well-

known Llandilo Stud was of inestimable value. We are also committed to a programme of tight line-breeding, which, although it cannot be utilized to originate excellence, certainly is, we think, the only successful method of preserving old and treasured bloodlines. In our first year we acquired three mares, Wellingdene Abigail, Kadima Love Bug and Llandilo Romany. Abigail is a Badgemore Pegasus daughter (Pegasus by Twyford Splendour out of Badgemore Peony). Abigail is in fact the only purebred foal ever bred by her illustrious

father. After our acquisition of Abigail, we visited Glynis and Gustav Karlsson at their Freyja Stud in the district of Albertinia and saw Pegasus himself. He was a very grand old man. Our second purchase was our Kadima mare, Love Bug. I had spotted her at the George Riding Club where she was stabled and put out to graze amidst some sixty Thoroughbreds. I was lucky enough to acquire her when her child-owner lost interest in riding. Apart from her blue ribbon pedigree, she is in the judgment of all who have seen her quite the most exquisite mare. For the purchase of a third mare during this first, eventful, year at Paddock Hill, we looked to Llandilo Stud. I described what I was looking for to Jean - a very typey pony of the old fashioned kind. I cannot describe my delight when the float arrived at Wilderness and Llandilo Romany (out of Pendock Rosemary by Uyzel Smart) stepped off. As broad as a barrel and with a lovely dished head and bold eye, she is a most dapper little mare; she is also delightfully self-opinionated.

Early in the following year we bought Bukkenburg Stella (by Coed Coch Nerog out of Springbourne Hayley) from Jean. A stunningly beautiful mare, she came in foal to Llandilo Victor Ludorum (by Nerwyn Llewelyn out of Bukkenburg Valerie). Her filly, Sweet Simone, is, for us, the quintessential of what we are aiming to breed at Paddock Hill. In 2006 two further mares joined our team from Llandilo Stud. The first was Llandilo Harebell. Harebell requires special mention. She is by Bukkenburg Vintage out of Bukkenburg Helen. Bukkenburg Vintage was by Coed Coch Nerog out of Revel Velveten. Harebell's dam, Bukkenburg Helen, was imported in dam (out of Pendock Harebell by Coed Coch Bari). As is well documented, Coed Coch Bari was purchased for 21,000 guineas - the highest price ever paid for a Welsh Mountain pony. The special stamp and equable temperament of Bukkenburg Helen is very evident in her daughter, Harebell, and, it seems, is characteristic of the H-line as a whole. Harebell came to us from Llandilo with a filly at foot, Heirloom (by Uyzel Smart). She has subsequently given us another filly which we have named High Noon. Harebell is an elegant and very correct Section A Welsh pony. The second mare acquired in this year was Llandilo Sundew (by Llandilo VIP out of

Torbry Sungleam - interestingly Torbry Sungleam (by Twyford Jock out of Torbry Sunshine) is a product of a father/daughter mating. Sundew came in foal to Llandilo Victor Ludorum. Her filly, Sun Coquette, stands out because she is, like her mother, cream in colour with a particularly lovely head.

Oh for a stallion (at this stage) for this carefully selected band of broodmares! We will always be grateful to Warren and Misty Fry of Toretto Stud for their very generous offer to use their stallion, Llandilo Sabre (by Bukkenburg Vintage out of Torbry Sungleam and a full brother to Llandilo Squire). Sabre's crop arrived in the spring of 2006 - four fillies and a colt - and they can leave no doubt about his quality as a breeding stallion. In 2006 we enlisted the services of Llandilo Viscount (by Llandilo Squire out of Bukkenburg Valerie) also owned by Misty and Warren. Viscount has won the admiration of many Welsh Pony breeders and owners during his appearances at Bloemfontein. We are eagerly awaiting his crop of foals this month.

Last but most certainly not least is the acquisition very recently by our Stud of a very grand and illustrious gentleman - Uyzel Smart. There is little I can add to this wonderful pony's outstanding career as a breeding stallion. Sire of top class progeny, he is known perhaps particularly for breeding exceptional fillies to which he invariably has passed on his own quality and stunning movement. However his most prized legacy one day will surely be his utter sweetness and gentleness.
