Horsesickness restrictions announced

1ST APRIL 2009. In a press release today, the Minister of Agriculture in the Western Cape, Cobus Dowry, announced restrictions on horse movements into the Western Cape due to outbreaks of African Horse Sickness throughout the rest of South Africa.

The Chief Directorate of Veterinary Services in the Western Cape has announced that a restriction will be placed on all horse movements to the Western Cape African Horse Sickness control area from all other provinces, with immediate effect.

These restrictions have been instituted due to the increasing number of reported and suspicious cases of AHS in the rest of South Africa. Horse owners are thus strongly discouraged from attempting to move horses from anywhere in the infected zone into the Western Cape control area as the risk of transmitting the disease is increasing daily. An outbreak in the AHS control area can potentially result in the death of many horses as well as place our export status in jeopardy, possibly leading to a 2 year ban by the EU and causing major financial and physical losses to the equine industry as a whole.

This means that all horses from the Western Cape protocol area intending to return from Bloemfontein would have to spend three weeks in quarantine in Beaufort West at about R60 per day, and after the period would have to be collected as a separate trip, adding some R4000 to the trip from up north. This will affect ponies coming to Nationals from that area which covers an arc from Morreesburg to Swellendam.

Welcome to our overseas judge for Nationals

Mr Cemaes Evans of Cathedine Stud has accepted an invitation to judge at the 2009 National Show in Bloemfontein. The following history of the Stud is taken from *The Welsh Cob* by Dr. Wynne Davies (J.A. Allen 1998).

Cathedine Stud

Cathedine Stud was started in 1941 when Mr Tom Evans bought the chestnut Cob filly Victory Maid for £8. In 1949 he bred Princess out of Victory Maid and she went on to win both the George Prince of Wales Cup and the

ridden Welsh Cob class at the Aberystwyth Royal Welsh Show in 1957, the only mare ever to have won both. The Cathedine Prefix which had been registered by 1954 was adopted from the farm in Bwlch Brecon where the family have lived for almost 100 years. The Cathedine Stud has had a great influence on many studs throughout Britain, including the Ebbw Stud where Cathedine Pride II was the dam of a string of champions including the famous Ebbw Victor. WP&CS Council Matters

Transparency and democracy has become the order of the day in all spheres and it is Council's desire to involve all the members in as many ways as possible. It was decided at the last Council Meeting to make all correspondence open to all so that the members are fully aware of what is happening within the society.

Listed below are e-mails received by Council or the Secretary since 1 May 2008

From Paul Carstens:

Hi Sue

Hiermee dien ek my bedanking as Raadslid en Vice President van WPCS in met onmiddellike inwerkingtreding. Ek wil graag die Raad en WPCS bedank vir die voorreg en geleentheid wat ek gehad om op die Raad te dien. Glo my dit was nie 'n maklike besluit om iets op te gee wat naby my hart le nie, al die laagtepunte en hoogtepunte waardeur ons deur die jare gestoei het nie.

Soms moet 'n persoon 'n besluit neem wat jou lewe net rustiger maak, geleentheid wat opduik wat jy met albei hande moet aangryp, aandag gee aan jou gesin en net jou ponies weer kan geniet. PAJAYHU WALLIESE PONIES gaan voort in al sy glorie en ek wil net graag weer my skoue begin geniet.

Ek het alreeds my Komiteelede ingelig oor my besluit en dit sal my laaste vergadering wees as Voorsitter van die WESKAAP.

Nogmaals baie dankie en ek sal die uitstappies na Bloemfontein mis.

Vriendelike Ponie groete, Paul

(Clyndo Elegant - Dawray Melita)

12 September 1996 - 16 Mei 2008

Our sympathy to Yvonne Lubbe on the loss of her lovely stallion, Staten Might.

The following was received from the Botha family who stabled and showed the well known pony:

In die ponie bedryf is dit seker een van die groot name wat daar op

die muur van prestasies in die Bill Sieberhage saal by die skougronde in Bloemfontein geskryf staan. Twee keer SA Groot Kampioen enkeltuig met die SA Kampioenskappe in Bloemfontein. Hy is in die fleur van sy lewe van ons af wegge neem. Baie mense het vir Mighty soos almal hom geken het

lemand het daardie aand na sy dood vir my gesê Mighty was net 'n legende. Hy was die hings met die mooiste temperament . 'n Kind van 8jaar kon met hom werk tot 'n volwassene. Waaroor ek baie spyt is is dat hy nooit gebruik is nie. Net 2 lewende vullens van hom leef. Staten Bismark nou 'n reun en uitstaande ry perd, en my eie perd Cracker Jack. Cracker Jack is nog jonk maar ons glo dat hy in sy pa se voetspore sal volg.

Mighty is aan 'n baie seldsame siekte dood Akute Emperokolitus. Dit was 'n ontsettende skok vir ons as Botha familie.

Ons wil net aan al ons perde vriende vir die telefoon oproepe en S.M.S.e wat ons ontvang het baie dankie sê ons waardeer dit baie. Al wat nou oorbly is mooi foto's ,rosette,medaljes en 'n groot gemis want ons Groot Kanon is nie meer daar nie.

ties (managing the Division) at work also it will not be possible for me to go on being the secretary, regional administrator and Council member. I had to make a decision to pull in some things just to keep afloat and recent incidents just made it easier to decide. I will not be available for the Regional committee anymore. We will vote for a new committee on the 2nd of October when we have our AGM at Robertson.

I want to thank Council and yourself for all you did and still do to keep the Society running.

From Derek Kohler:

Hello Sue,

Thank you for the summation of the advantages and disadvantages of the National Champs in Cradock.

Just to clarify some of the list of disadvantages :

1.The Cradock venue would be available for at least the next 10 years if required.

2.Other regions are welcome to "tender" for the

New WPCS logo items available

Kids' T shirts: R40 (variety of colours, sizes from XXS to XXL)

Adult Golf Shirts: R50 (S,M,L,XL, white, navy & black)

Kids' Caps: R25

Adult Caps: R30

All Items can be ordered from the Secretary's Office

privilege of running the National Show if they have the equivalent facilities.

3. While our show society is not in a position to pay a R5000 levy, Cradock would most assuredly not make any charge to the Society for the use of the Showgrounds and all the accompanying facilities.

4. At the recent Regional Champs both sets of stands were packed with spectators, particularly on the Friday and the Saturday. This could well be because there is very little alternative entertainment for the people of Cradock. Local interest was such that parking on the showground had to be reserved for officials and competitors only. The street outside the showgrounds was parked solid on both sides of the road for some distance.

Incidentally, the Welsh team of 8 was universally accepted as the highlight of the show.

5. There was, in fact, a small funfair available to the children.

Queries :

Entries at Nationals have averaged 180 ponies over the last 5 years.

The Cradock showgrounds has 230 stables of at least equal quality to those at Bloem.

There are 2 camping sites including reasonable ablution facilities on the showgrounds and

competitors would be welcome to camp in any of the spare stables.

There are 2 good PA systems available for the 2 showrings and a PA system for the collecting ring steward.

At all Cradock shows there is adequate clean fresh bedding for each stable. Dirty bedding will be removed daily at no charge to the Society.

All the ablution blocks and toilet facilities are totally closed in between shows. The show society re-opens, checks and cleans these before the shows at no cost to the Welsh Pony Society.

What limited security is required at the showgrounds is provided for by the Cradock show society.

In one of the stands, alongside the main arena, a local church group runs the kitchen providing cooldrinks and basic foodstuffs throughout the show (quality good). There is also a full-time bar at the other end of the stand. Within 1km of the showgrounds there is both a Steers and a Kentucky Fried Chicken. Other restaurants are also within easy reach of the showgrounds.

Regarding the dates on which the show will be staged, we are merely offering an alternative venue at whatever date Council decides is best. We trust that the organization of this event will be handled by the designated Council member and that our role would purely be one of support.

If you have any further queries, please do not hesitate to contact us immediately and please be assured of our fullest support for the Nationals whatever Council decides.

Kind regards, Derek.

From Gustav Karlsson (in reply to Secretary's comments on the proposal re election of Regional Council members):

Hi Sue

There is to be no debate at the AGM. At the last AGM the principles were established and I expect that by the next AGM the new system will have been implemented and the new councillors elected. What problems do you have with the wording as it is quite clear and in line with the proposal which was passed unanimously at the AGM. So what are your concerns which you refer to?

You certainly did not mention any concerns when the resolution was passed.

It looks as if those in Council are hell bent on delaying this election to stay in power for as long as possible (Mugabe syndrome?) and members are fed-up with this current council and wish for their council to be democratically elected.

Could you please send me the draft minutes of the AGM so that I can ensure that you have correctly recorded the resolution taken.

To answer your questions

Yes, Yes, you can send this e-mail to your beloved president and fellow non-democratically elected members.

Regards, Gustav

Subject: Re: WPCS Constitution

Hi Gustav

I've gone through your proposal and just require clarity on two points.

9.2.3 I assume the nomination form requires signatures by two members in addition to the nominee. The synopsis is presumably of qualification/experience rather than personal details.

9.2.12 I presume new nominations forms will only be sent to the Regions that lack the requisite number of members? What happens if no nominations have been received from a Region in the required time?

I have a couple of concerns about the proposal but those are for debate at the AGM.

I will send your proposal to Council with the Agenda for discussion at our meeting.

Regards, Sue

From: Viv Van Den Bergh

Hi Sue

Please accept my resignation from the Council. As much as I would like to do my bit for WP&CS I cannot be doing with this petty kindergarten politics from Gustav.

I shall do my bit on the sidelines.

Thanks, Viv

The Ten Showing Commandments

These are reproduced at the specific request of TWO international judges who have judged Welsh ponies in South Africa!

1. Thou shalt not overtake another competitor on the inside when passing the judge.
2. Thou shalt not steal another's place in the line up under the pretext "I thought it was me they were calling in".
3. Thou shalt not allow thy groom into the ring in scruffy clothes and not wearing a hat.
4. Thou shalt not allow thy groom to bring the contents of the lorry into the ring.
5. Thou shalt not be unpleasant or rude to a steward, thy groom or thy mother who has been up since 4am plaiting and driving.
6. Thou shalt ignore persons outside the ring offering verbal assistance whilst you are in the ring.
7. Thou shalt never leave the ring without first seeking the judge's permission.
8. Thou shalt at all times be polite and pleasant to the judge, even if thou thinkest "blind old bat" or "silly old trout".
- 9. Thou shalt smile and say "thank you" when handed your rosette, even if thou disagree with the result**
10. Thou shall turn up for Championships, parades and prizegivings if required, even if it is a long way home or thou want to change.

And you think we have problems!
***Poop predicament has horse
owners raising a stink***

The poop hit the fan when the last manure mulcher in Los Angeles closed shop. The price of poop disposal is breaking the budgets of Los Angeles horse owners, as stable owners pass along the expense of taking horse droppings to landfills.

"The cost to get rid of this stuff has just skyrocketed," says Royan Herman, who runs the Peacock Hill and J-Bar Ranch stables in the San Fernando Valley with her husband, Mark.

Los Angeles is home to about 10 000 horses, says city councillor Wendy Greuel, although some estimates of the horse population run as high as 20 000 within city limits and 45 000 in all of Los Angeles County.

The waste produced by horses living in a big city was not a problem for decades, as nurseries and compost yards accepted manure and turned it into fertiliser. But when zoning officials allowed developers to build homes close to those sites, new residents complained of the stench and nurseries began turning away the dung.

Depositing manure at a landfill costs up to \$47 (R362) a ton, five times what the mulchers charge, says Mark Herman. Stable owners can't afford to stay in business unless they pass that expense to boarders, he says. The 120 horses at his stables produced as much as 4.5 tons of manure a day.

Horses generate an estimated \$900 million in ancillary revenues a year, according to local resident Fritz Bronner, sustaining riding teachers, veterinarians, blacksmiths, and feed and tack stores. And poop could add even more cash to city coffers. Councilman Richard Alarcon started a pilot programme to recycle some of the manure into compost. "We are looking at every option available to us, including the generation of electricity," Greuel says.

Bronner says he's worried that the poop-disposal crisis and lack of political clout may spell an end to the intangible benefits of sharing Los Angeles with horses. "The clip-clop on the streets is soothing," Bronner says. "Horses just slow everything down a bit. Traffic slows down, you slow down."

Family Cob

by Jessica Franks

*It's an arduous job being a family cob
Calling for brains and ability.
We must cater for all from the short and the tall
(in varying states of stability).*

*When I take Mrs. hunting I stay at the back
What Mrs calls hunting, I'd call a hack.
She's frightened of jumping, so I must wait
(ashamed as I feel going through a gate).*

*When I take Mr. hunting I'm happy to know
That if there's a jump, he'll have a go.
His style, I admit, is far from the best
But I'm glad- oh so glad- to be up with the rest.*

*When summer time comes, it's a bit of a pain.
It's pony club rallies, with our little Jane.
I plod round in circles taking great care.
Unless I trot smoothly, she could disappear!*

*Jim rides after school, he thinks I'm Red Rum,
(or he's driving a sports car in formula one)
A little success has gone to his head,
So I dump Master Jim in a thick nettle bed!*

Calling for brains and ability.
I have to teach all from the nervous and small,
To those who should learn some humility.*

Remember MacGyver?

31 March 2009 was the 20th birthday of dear little 'Ben Hur MacGyver' a 'Hydown' pony that some of you may only of heard of at the Performance Awards.

He has been with us for the last 8 years during which time he did many lead-rein classes at Welsh and other shows. His best event was and still is 'Working Riding'. He won this event at the 'Children's Festival' some time ago in the 10 and under age group [off lead rein]. In addition he won this event at the 'old' Gauteng Schools League Finals out of a class of 60+ entries. He is also good at dressage having won the Eastern Region of GHS 10 and under Championship as well as Pony Club Champs. His latest achievement was to be part of the Benoni PC team that came 1st at the recent Inter-Branch mounted games and to beat about 20 others in the 'Jumpkhana' event-- this being a mix of Mounted games and jumps. In addition he is extremely popular and useful for Pony Club instruction purposes. Due to his section B size lots of our members can easily practice such things as 'Bandaging and Rugging', 'Grooming,' 'Points of the horse' etc.

He is very nippy at ducking under our fences and when he hears the suppers being dished up he is first to appear if not already in his stable.

We hope he stays with us for many years to come.

District Commissioner of Benoni Pony Club.

Flying the South African flag in Europe

Here is an update on one of the ponies bred by Grant Langley in South Africa that is now living and competing in Switzerland and doing very well.

Here is some news and results of Steffi and Penny. You called her Foresyte Little Villa, but we named her "Penny" after she left me "penni-less" as a student! I had to pay Carla off because I had so little money those days!

She won first time out in dressage with a score of 75% in novice, 64% in Elementary (2nd), then went on to win the open riding class and the partbred in-hand class at an international Welsh Show with an English judge, Anna Stevens. She also got an special trophy for the best partnership between pony and handler.

She since has had another Elementary Show with a first and third in her classes.

She also took Steffi through a licencing test last weekend (people have to do an oral and riding test here before they are permitted to ride in higher classes, ie from EM level onwards), the judge approached her after the test and said she wanted all the results from SA so that they can put her up for National selection next year. Which means we may be competing internationally from the end of next year onwards.

I must say, after all the hassles of the import, we have never regretted it and I am SO GLAD I bought her when Carla suggested it. She has NEVER been mean, although certainly no slug either, she has just the right amount of pep and fire to get her the awards without being out of control. Thank you for breeding such a wonderful pony! *Ulrike Kafka*

Foresyte Fidji

This poem was submitted by Emma-Jane Osborn

Mane like seafoam,
Nose like silk,
A heart of gold
Fidji owns the hearts of many.
Flying over a jump
Pegasus comes to life.
When she neighs
The world stops breathing

The image of her father
A treasure trove
She, the jewel.
But at the end of the day
Out comes the carrot
And Fidji's a lady no more.
She's a friend,
A sister
And the queen of my heart.
When this happens
I always think
How did I survive
Without her?

ROSEAPPLE SPRING CLASSIC

Southern Riding Centre was very kind to allow us to hold the RoseApple Spring Classic at their premises this year. This being particularly so as they are undergoing huge renovations to upgrade the property. Grandstands ready for erection were in evidence as well other building material. Competitors were very understanding once they knew what was happening and there is great enthusiasm for a show next year at what will be a super venue.
