Glitz and Glamour at Nationals

This is our Society and our National Championships. Bloemfontein is a reflection of the Society. If we want to improve our image and impress at the Nationals we all need to help in some way. Nationals are a Big Event in our Calendar and need to be managed as such!

We can't expect to get good prices for our ponies without some form of marketing. We can't expect to attract new buyers, competitors and more importantly new breeders if we look like a second rate society. For example look at the Friesians. They have marketed their breed countrywide. Even as lead rein horses! In the past no one wanted a Friesian except to pull a Wedding Carriage and now they are commanding big money, even as foals.

I think we all agreed that the Glitz and Glamour effort we made, last year, at Nationals, was worth it and should be done again. However, it is a very big undertaking for one person to arrange and then set up. So we need your help! Please!

What we need is useable ideas. Ideas that won't cost a fortune will be effective and can easily be implemented with some forethought. We have all our banners and flags from last year. Plus some rolls of material that can be used in decorating arena surrounds etc.

Secondly, we need help organizing everything beforehand. Last year the Regions were meant to organize all their members. This worked very well in parts of Gauteng, but not really anywhere else. My cell phone bill was astronomical and I did not even do so much. If there is someone out there who has the time, but maybe not the means, could we maybe consider some form of payment? Volunteers, please!

Thirdly, we will need help to set up everything at the show. Unfortunately we start competing right on the heels of the Friesians, so we can't do much beforehand. Also our AGM is the night before and until that is over hands are in very short supply. Any ideas how this problem could be overcome??? If we have to pay people to do things we may have to raise our fees to make it possible?

Lastly we need prizes in all forms. Cash and goods are needed. We had some wonderful things donated last year and will need even more this year. With the very low entry fees we can't expect prize money to be generated. So please everyone try and donate or organize something as prizes. We need to know in advance what the donations are. It is a big thing to just organize the allocation of prizes. Is there anyone willing to take this section over?

In addition to the grounds and the prizes we mustn't forget about decorating our own stables. We are renowned for our friendly atmosphere, but lets also be professional and smart. Our ponies deserve the best!

Lets be motivated to produce the best ever Nationals!!

**Seasons Greetings
to all our members from
the President
and Council of the WPCS**

Personal message from the President

I would like to wish all the Welsh people of South Africa a very good festive season and may your expectations for 2010 be more than you ever dreamt of. Let's take this opportunity and realise what this festive season is all about. It is not about presents, sea holidays and leisurely days spent at home; it is all about our Saviour that gave his life to save ours. Let us keep this in mind and spend this festive season responsibly and in the right mind set.

At a meeting of the Council of the W.P.C.S. of South Africa it was decided that a summary of the minutes of the meeting would be put on the Website and published in the Newsletter. The following is a summary of the meeting held on Monday 10 August 2009 in Bloemfontein.

All council members were present and the President chaired the meeting.

Complaint against G Karlsson

Dr Schalk du Toit lodged an official complaint against Gustav Karlsson. It is in regard to Mr. Karlsson's alleged behavior and general conduct. Mr. Karlsson excused himself from the meeting whilst this matter was discussed. After discussion Council decided to proceed with a disciplinary process against Mr. Karlsson. A disciplinary committee will be appointed.

Complaint against U A Moerat

Mrs. G Karlsson has lodged an official complaint against Mr. U A Moerat for a letter that he sent to the Karlssons, in which he allegedly attacked them and insulted them and the Welsh breeds. Council decided that a disciplinary process would be started against Mr. U Moerat.

Disciplinary code

W.P.C.S. has adopted the disciplinary code of SANEF and according to this code the structure of the disciplinary committee will be three impartial persons. Council decided (with Mr.

WP&CS Notices

Karlsson present) that the composition of the committee would be as follows:

The President of WPCS, a practicing lawyer or advocate and an impartial member of the WPCS.

Protocol for ponies misbehaving at shows

Mrs. G Karlsson complained about the behavior of Frosty Spike and the accident he caused at the National show. It was decided that a letter should go to the Frost family in regards to the behavior of Frosty Spike. Paragraph 8 of the show rules will be re-emphasized in the next News Letter. Di Nicholson will draft a note for the Newsletter to make people aware of the implications if their horses cause damage or harm to anybody on a show.

Letter from Mr. R. Roach

A letter had been circulated to certain members from Mr R Roach. This letter will form part of the official complaint by Dr S du Toit and will be dealt with by the disciplinary committee

Code of conduct for Council Members and Judges

Di Nicholson will draft a code of conduct for council members and Judges.

Councilor for KZN

The position will not be filled at this stage and a letter in this regard will be circulated to the KZN members.

Position of Secretary and Treasurer

The proposal will go to the AGM that the two general councillors will be replaced by an elected secretary and treasurer for a period of three years. They will be elected with full powers to council and with the payment for services delivered still in place.

Unofficial meeting of members held on May 5, 2009

Gustav Karlsson stated to the meeting that as, in

his opinion the requisite notice in terms of the Constitution had not been given, the AGM was un-official and none of the decisions were binding. The majority of council were of the opinion that the meeting was official. Mr Karlsson disagreed with this and stated that he might take action.

Regional Committees – legalities

A general constitution for all regions should be drafted stating the minimum requirements for the region.

Constitution

Everybody accepts the spirit and the wording of the constitution. There is a question on the legality of some paragraphs. A letter should go to Studbook requesting a clearance of the legality of the constitution.

Wilkie snaffle bit

This snaffle will be added to the official list of bits.

Ribbon in mane for harness ponies

Not to be allowed in shows.

False tails

False tails or hairpieces will not to be allowed in any purebred class.

Safety of tack at shows

The chief collecting arena steward to be empowered to check on harnesses and be able to deny competitors entering the arena if he is not satisfied with the safety of the tack.

Increased age of Riders in First Pony classes to 11yrs & under

The age for children in first pony classes to be

changed to 11 years and under and lead rein classes will be 9 years and under

Ring Stewards not allowed to exhibit at same show

Stewards may not steward for a Judge under whom they are exhibiting.

Use of Prefix for ponies entered at Welsh Shows

Ponies must be shown under their registered name and prefix at all affiliated shows.

Teams of 8

People should be encouraged to exhibit teams of eight. Combinations of teams should be within the rules.

Breed standard – colour

A proposal on this will be put to the 2010 AGM

Programme for visiting Judges

The programme will depend on the time that the judge has available. If time is available the regions will be contacted to compile a programme.

Judges qualification programme

Sue Cook explained the current situation regarding the qualification of judges. The concern was expressed that there are not enough judges and that they are not all competent to judge all the different sections.

Judges refresher programme

Sue Cook to investigate the possibility of having refresher courses,

Policy for the Journal

Policy to be drafted by Gustav Karlsson and submitted to Council at the next meeting.

Increased fee for stallion registration

The proposal will go to the AGM that the fee is increased to R 500.

National Championships Feedback 2009

A fairly successful show taking the time available into consideration. A half day more is needed to run it properly. The strain on the overseas judge was big and it should be considered. Gustav Karlsson was very satisfied with the

WPCS Journal - errata

A typographical error appeared on page 110 of the Journal. In the article on Kadima Stud it states that Philip Katz bought

Bevic Stud from Wynand Fourie. This should obviously read Bevlon Stud. The founder and owner of Bevic stud is Bev Williamson.

SHOWS

Competitors are reminded that in terms of the show rules Purebred Ponies must be shown natural. There has been a tendency recently for ponies, especially Section B, to be shown with banded (i.e. cut straight across the bottom) tails and fully trimmed out ears. Judges and Stewards will, in future, be requested to disqualify Purebred Ponies or Cobs that are in breach of Show Rule 10.1

Competitors are also reminded of rule 13.4

Groom Award winners

Congratulations to Richard and Wilton both winning diamond award shields, while Parvet, Jeremy, Kenneth, Kennedy and Lovemore were awarded medals.

Thank you to those that had returned trophies clean and unbroken in good time!

Trophy winners are reminded that the trophies are to be engraved 2008.

Although entries were up on the previous year, we would like to encourage more members to enter performance awards. It is an opportunity for your fabulous Welsh ponies to be recognised for their year's achievements! The entry fee is only R100 per pony and R50 for groom entries.

A record of all show results should be kept throughout the year to make completion of the score sheets at the end of the year, an easier task. If the score sheet calculation seems daunting please do not hesitate to contact Nadia on 0825560714 or 0114683410 for assistance.

The entry form and score sheet for the 2009 Performance Awards is available on the WPCS website.

which states that only exhibitors showing ponies will be allowed into a class. This means, in effect, that you may not have a second person come into the arena to trot out a pony for you if you are injured. However it does not mean that you cannot trot out two ponies if you have two exhibits in a class and have someone else leading the pony in the "go-round".

The following statement **must** be attached to all Welsh entry forms and competitors are asked to abide by the spirit of this statement. Please do not endanger the health of other ponies because you wish to attend a show. There will be plenty more shows and you would not want someone else to endanger your pony through their selfishness:

"The competitor undertakes not to bring any horse to the show which has an infectious disease, whether notifiable or not, or which horse the competitor could reasonably be expected to know has infectious diseases or maybe spread an infectious disease.

The competitor undertakes to withdraw the horse from the event (with forfeiture of entry fee) if, subsequent to entry, it should develop, or should circumstances arise under which the competitor can reasonably be expected to know what the horse has developed or may develop, any such disease or ability to spread such a disease."

JUDGES EXAMS

We would like to hold judge's exams throughout the country early in 2010.

These will take the form of written, theory exams with separate papers for Breed, Riding & Harness. It is necessary to pass the Breed exam before you can be credited with passing either the ridden or harness exams but you may write all the exams at the same time. The Breed exam takes about two hours and the other two about one hour each.

If anyone is interested in writing the exams or would like further information please contact Sue at the Office.

AGM 2009 unconstitutional

As all of you that attended the AGM in Bloem in May know, Mr Gustav Karlsson stated to the meeting that the meeting was unconstitutional due to the fact that the final notice was posted less than 30 days prior to the meeting. We are not going to deal with the reasons and merit for this late posting, but we are going to focus on what happened afterwards. Dr Schalk du Toit (President) ask the meeting whether we should proceed and the meeting, with a majority vote, decided to proceed.

Gustav then left the meeting and started an action to get the AGM declared unconstitutional. After long debate by council (and after Gustav sent an official complaint to the Registrar) we decided to stick with the election of council and the office bearers and that any point raised at the meeting can be put on next years AGM. We also invited Gustav to a meeting with myself, Dr Pierre van Rooyen (SA Studbook) and the Registrar, Joel Mamabolo.

This meeting took place and the decision as taken by council was ratified by the Registrar. The fact was stated by the registrar that technically the meeting was unconstitutional due to the late notification. The election of council will be kept in place because that influences the business of the society. The rest of the points will all be carried over to the 2010 AGM. Gustav accepted this and the issue was finally closed.

I hope that we will have as many people at next years AGM as were present at the 2009 meeting.

The 2010 AGM will be at 17h00 on 27 April 2010.

Congratulations everyone!

A trip to pastures greener

by Di Nicholson

On 23 August Richard Mhlanga, the Head Groom of Dibynn Stud, ventured into the unknown when he joined me on a trip to the UK!

Many of the visiting English Judges have commented on his prowess in the ring when handling ponies – and Jackie Beatham and Liz Mansfield organised an invitation for him to attend the British Show Pony summer championships.

The first problem, as always, was money but, thanks to a few sponsors, his airfare was soon raised and a visa procured – and Richard boarded an airplane for the first time in his life.

We arrived at Heathrow – only for him to be extensively quizzed by the emigration officials. A few words and confirmations and we were on our way.

First stop was Cindy Sims – a great friend and long time mentor. She lives near Andover – an hour or so from Heathrow.

The comments en route were a refreshing look at Britain – it is clean, tidy, traffic is orderly and people walk!!! The green grass fascinated him – and on arriving at Cindy and seeing the big paddocks – he declared he would not be able to catch Christmas Queen for a week.

At £50 a day for tickets, I had already prepared Richard that I may leave him with Cindy while I went to Windsor. How convenient - the European Championships were also on! However thanks to

After breakfast - Jackie Beatham and Richard.

few words with connections – free tickets were obtained for both of us for Tuesday and Wednesday. Weren't we lucky!

Tuesday morning breakfast with Jackie Beatham (she was going into hospital on Thursday for a knee replacement), and then onwards to Windsor. Richard was rather taken with the “house” and fascinated by the comfrey growing wild in the Park.

Within two hours – he was able to identify a good piaffe and passage – and on Wednesday we were privileged to witness the wonder horse, Totillas.

Thursday – an early start to Bucks County show, where Richard was to assist clients of Jerome Harforth with in-hand horses. Bucks County is a huge county show hosting the last Cuddy Qualifier – so all the breeds are represented. He had a great time, and was introduced to his first real traffic jam, an hour and more to get out of the showgrounds.

Another two hours north to Grantham – and Arena UK where we were to stay for three days. 2500 ponies across four days of competition, and 10 ponies to get into various rings each day. Richard was hosted by Stanley Grange Stud. Jerome and David are wonderful people and were happy to include us in their show team, show us the tricks and let Richard be involved at every opportunity. Liz Mansfield drove for two hours to the show to see us and ensure Richard was being looked after!

On Sunday – after all horses were loaded on the truck for home (together with plenty of rosettes),

Richard and I returned South to Cindy – exhausted. The show starts at 7:00 am every day – and the last championship finishes at 10:30 pm.

The last few days of the visit were a whirlwind of tourism – Stonehenge, impromptu history lessons over dinner, riding lessons and invitations for barbeques to stately homes. Richard took it all in his stride – chatting to all and always a credit to himself.

The visit was all too soon at an end – reality takes over when you reach the booking-in area at Heathrow - you have to return to work soon!!!

As a last laugh – the only British item not to pass muster by Richard was that wonderful treat “Walkers Shortbread”. In his words – a dry stale biscuit.

Many thanks to all the wonderful people who made this adventure possible – something to be treasured.
