Welsh Pony & Cob Society of South Africa 2009 Performance Awards

The Performance Awards competition is an annual event, running from January to December each year, designed to recognise the achievements of Welsh Ponies and Cobs in every aspect of equestrian sport. At each show you attend your pony is allocated points, firstly for attendance and then for any placing you achieve. You keep a record of all the results on the relevant score sheet and at the end of the year these are submitted to the Performance Awards organisers. The scores are checked and entrants are awarded rosettes or medals depending on the score achieved. For the top scores there are beautiful trophies to be won. As of last year we introduced a special category for paid Grooms who show ponies in hand. The Groom receives points equivalent to those of the ponies he shows and at the end of the year receives a medal or shield recognising the number of points he has won.

The score sheet may look a little daunting at first sight but it is really very simple to use. In the left hand column under details of the class you enter the type of class e.g. Jumping, Dressage, Show Pony etc. Then enter details of placings in individual shows in the narrow columns (divided by double lines). Name of show is entered in the top of the column, then place in the class, points (as per the scoring system on the reverse of the score sheet) and any bonus points (awarded specifically for Welsh shows and certain other major shows) in the bonus column. The total for each show is completed at the bottom of the relevant column. At the end of the year all the show points are added to give a final total. You may photocopy and use as many sheets as you need to or ask for an electronic copy and record your points on your PC.

Should you wish to enter a groom for the Groom's award please enter his name on the In Hand score sheet for the pony he has shown.
